

MORTON TROPHY

Hi Ladies,

I have taken over from Liz Jamieson as the Morton Trophy secretary for Greenacres, and I am looking for your help in putting together rinks to play against the other teams in our section. If you are interested in playing then please complete and return the attached form.

Each player should only have to play in one game if we have an adequate response.

If there are any problems with the form then just send me your reply by e-mail.

Thanks in anticipation,

Rosemary Griffiths
